SOCIOLOGY DEPARTMENT
SENIOR SEMINAR APPLICATION

INSTRUCTIONS: This Senior Seminar application <u>must</u> be completed the semester *before* you take SOCI 498 (WIC). The application serves two purposes: (1) to engage you in review of your ARR with a **SOCI faculty advisor**; (2) to allow the SOCI faculty advisor to assess whether you have met the requirements to enroll in SOCI 498 and for graduation. Please be thoughtful in your preparation of this application. This is not a substitute for applying to graduate: Apply to graduate through your SSU student portal.

You must sign up for an appointment with a SOCI advisor to review this application in order to be enrolled in Senior Seminar. *Do not* send this application to an advisor without having signed up for an advising appointment.
